MI where he obtained employment in a saw-mill. The next year he went to St Joseph on foot, by the old territorial road and on to Chicago by schooner. That great city of nearly 600,000 people was then a collection of a few shanties. In 1837 he took the first stage out of Chicago bound for Rockford. He made a claim of land in Owen twp, Winnebago Co., IL, six miles north of the city of Rockford and improved a farm. In 1839 he hauled the first load of wheat from Winnebago county to Chicago and sold it for 38 cents per bushel, taking his pay in leather. He was married in 1840 to Lorinda Thomas. They had 4 children, Martha, Marilda, Robert and May. In spring of 1853 he moved his family to Cerro Gordo county and entered a claim at Owne's Grove, named in his honor. His family lived 6 months in tents and in spring of 1854 he removed them to the place where he was building a log house. 5 Jul of that year the Sioux Indians drove them from the county and they took refuge at Cedar Falls, where the household remained six weeks while Mr Owen returned and finished his home, where they set up housekeeping about the middle of August. Land came into market abt this time and Mr Owen went on foot to Rockford, IL, obtained what money he needed at 40 per cent and in Sep. went to Des MOines and purchased his land. Nearest neighbor 10 miles away. In 1864 he sold his place and bought a farm one and half miles north of Mason City, in the twp of Lime Creek, which he sold in 1868 and moved to Mason City. He took the first government mail from Cerro Gordo county to Iowa Falls in 1862. He made the route, 50 miles on snow shoes. He is radical republican and was one of the first supervisors of Owen twp. He has held his present incumbency 5 yrs and is a popular official. He has been a surveyor for many years and probably the best posted man in the county on sectional lines. Marcus Owen is only child born to them at Owen's Grove, this county, being the first birth at the grove. Mr Owen was one of the earliest settlers of the county and many a way-faring traveler has just cause to remember with

Died, near Pearl village, 2 Feb 1891, Dr. David Miller of cancer, one of Pearl's oldest citizens. Dr. Miller was born in Claremont (sic) County, OH June 28, 1809 and was married to Rebecca Todd Feb 15, 1831. He came to IL in 1836 and settled in LaSalle County, moved to Greene county in 1837 and in the latter part of the same year came to Pike County, Pearl township and has lived here ever since. He was the father of seven children, three sons and four daughters, two of whom are now dead. Dr. Miller was one of the early settlers and did a great deal towards developing the country. He was a straight-forward, honest man and a thorough Democrat- voted the ticket for 61 years without scratching it, with the one exception, and that was on Mr. Greeley. If he was a frien, he was the truest. He was always a great friend of the poor and would divide his last cent with them. So one more of the old settlers has passed away. May he rest in peace.

JOHN HARDTMAN, farmer, residing in Cedar Falls Township, was born in Germany, the date of his birth being July 2, 1826, a son of Adam Hardtman. He was reared to manhood in his native country, remaining there till the year 1869, when he immigrated to America. He came to Black Hawk County, Iowa, in 1876 and since 1877 has made his home in Cedar Falls Township, where he has a fine farm containing eighty acres of choice land, located on section 20. For his wife he married Mrs. Blum, who was also a native of Germany, and a daughter of George and Ann M. Zwick, who came to America in 1876. Mrs. Hartman was first married in her native country to Gottlieb Blum in 1859, and to this union were born four children, of whom three are yet living—Englebert, Gottlieb and Sophia. Both Mr. and Mrs. Hardtman are members of the German Evangelical Association, and are respected citizens of Cedar Falls Township.

WILLIAM BAULER, one of the prosperous and enterprising farmers of Eagle Township, residing on section 18, is a native of Germany, where he was born August 18, 1834, a son of Matthias and Margaret Bauler, both of whom died in Germany. Mr. Bauler came with his family to Black Hawk County, Iowa, in the year 1866, when he settled on the farm where he still resides, which contains 208 acres of valuable land. Besides his home farm he owns a farm of 160 acres on section 19 of Eagle Township. Mr. Bauler came from Germany a poor boy, but by his untiring industry, persevering energy and strict frugality he has met with excellent success in his agricultural pursuits, bringing with him to this county a capital of \$2,000 where he is ranked among the wealthy citizens. Politically Mr. Bauler casts his suffrage with the Democratic party. Both he and his wife are members of the Roman Catholic church.

He was born in Scotland County, New York, August 1, 1817, a son of Adam and Lois (Beckwith) Thomas. When he was fifteen years old his parents went to Orleans County, New York, and there built a boat, and on it floated down the Allegheny River to the Ohio, and thence to Cairo, Illinois, where they took a steamer and went up the Mississippi to St. Louis, Missouri, and thence to St. Clair County,

the United States. They have a family of five children—Charles, Henry, Philip, Minnie and Charles. Mr. and Mrs. Thomas are members of the German Lutheran church, and are liberal contributors to the support of the gospel, as well as to all enterprises of benefit to their community.

JOHN HARDTMAN, farmer residing in Cedar Falls Township, was born in Germany, the date of his birth being July 1, 1826, a son of Adam Hardtmann. He was reared to manhood in his native country, remaining there till the year 1850, when he immigrated to America. He came to Black Hawk County, Iowa, in 1850 and since 1875 has made his home in Cedar Falls Township, where he has a fine farm containing eighty acres of choice land, located on section 20. For his wife he married Mrs. Blum, who was also a native of Germany, and a daughter of George and Anna Zwisch, who came to America in 1850. Mr. Hardtmann was first married in her native country to Gottlieb Blum in 1845 and to this union were born four children, of whom three are yet living—Friedrich, Gottlieb and Sophie. Both Mr. and Mrs. Hardtmann are members of the German Evangelical Association and are respected citizens of Cedar Falls Township.

WILLIAM BAULER, one of the prosperous and enterprising farmers of Eagle Township, residing on section 18, is a native of Germany, where he was born August 18, 1844, a son of Matthias and Margaret Baehler, both of whom died in Germany. FARMER DIES FROM GUN WOUND

Cedar Falls, Iowa -- Emil J. Cherney, who resided on a 60-acre farm a mile west of the Cedar Falls Gun club grounds five miles north of Cedar Falls on highway 218, was dead Thursday, the victim of a hunting accident.

He was fatally shot while crawling through a wire fence on his farm, according to Dr. Sidney D. Smith, Black Hawk county coroner, who was called to the scene of the tragedy late Wednesday. He reached the scene shortly before 5 p.m. which was believed to have been about two hours after Cherney died.

When Cherney's body was found by one of his neighbors, it was lying near the fence through which he had apparently come. In some manner not determined the gun had discharged, the bullet striking Cherney in the left breast, according to Coroner Smith.

Apparently Cherney had stumbled and fallen as he got through the fence. The gun was lying beneath the body, the coroner said. His investigation convinced him that Cherney's death was accidental.

Cherney was a retired railroad man. He had been an engineer on the Illinois Central system for 43 years and resided in Waterloo. He retired on pension in 1943 and purchased a small farm south of Janesville near the Washington township church in Black Hawk county in the neighborhood where his wife had lived as a girl. They moved onto the place soon after his retirement.

Mr. Cherney was born in Mitchell county, August 21, 1877, and married Arley Helm of Washington township January 28, 1905, at Albert Lea, Minnesota.

Surviving besides his wife, are three sons, Richard A.; Reinbeck; Milford S., Charles City; Maj. Max R., stationed at March Field, California; two daughters, Mrs. Don D. Miller, St. Joseph, Michigan; Mrs. H. T. Berwald, Battle Creek, Michigan; one brother, Joseph, St. Ansgar, and a sister Mary Peterman, Lyle, Minnesota.

The body was taken to the Dahl Funeral Home

#2: (Bio.)

Emil J. Cherney remained at home until he was 21 years of age, when he took a job as fireman on the Illinois Central Railroad. He was a fireman for two years and then became an Engineer until he retired in 1943. January 23, 1905, he married Arley Elaine Helm of Washington Township, Black Hawk County, Iowa. They married in Albert Lea, Minnesota.

Emil and Arley had five children born to them: Vernelle Ora (12-27-1905); Victorine Laurel, (7-27-1909); Richard Arley, (6-25-1912); Milford Stratton, (6-14-1914); Max Reuben, (4-11-1916). Milford and Victorine were born in Washington Township, Black Hawk County, Iowa while the others were all born in Waterloo, Black Hawk County, Iowa.

When the Sedlacek family moved to California, they stopped for a few days with Emil and Arley (Helm) Cherney. Later Emil Jr. told of the three week trip across country indulging in an exciting new food item - hamburgers.

Victorine Cherney was named for her aunt, Victorine McCulla Cherney. I remember when I was about 16 and my brother Milford was about 11 that we traveled to St. Ansgar from Waterloo on a pass provided us since our father was an Engineer of the Illinois Central. We visited Aunt "Vic" and Uncle Joe. When we arrived, they did not happen to be home so we sat on the front steps of their home. When we became hungry, we were afraid to leave our suitcases unprotected so we took turns walking down into town to eat while the other protected the cases. Later, we then went to visit "Uncle Fred and Aunt Anna" Zemanek. They were really not that relationship but cousins of Emil Cherney, our father. Milford remembers playing the organ and singing while there. The best of it all for me was that their daughter Freda and I are "twins" both of us being born July 27, 1909. We became best of friends and close until both went away to school and married. Only recently have we been reunited, by letters. Freda now lives in Florida with her retired husband.

Another highlight of a visit to St. Ansgar when I was a little girl was a wonderful night of seeing my first moving picture. All of the people assembled in the school hall and we sat through the movie of "Birth of a Nation". It was marvelously exciting especially when we were each given a green, red and white striped bag of candy to munch on during the movie. Those are experiences never to forget.

Emil Cherney spent 40 years with the Illinois Central Railroad. He was very proud of that relationship and I know that he enjoyed every minute of those years. But, he held St. Ansgar very dear to his heart and for years and years, he attended the reunion of the Spring

When the Goshawk family moved to California, they stopped for a few days with Bill and Abby (Helen Cherry, later Edith) at the home of the Cherry family. Later, Edith and I went with them to the Cherry home in California. When we arrived, they did not happen to be home so we sat on the front steps of their home. Valley School. One of my brothers accompanied him and I feel badly that I was never available to spend the day with him at the reunion. After his retirement he and Arley moved from Waterloo to the farm in Washington Township where she had been born and he remained there until his death in 1948.

Richard Arley Cherney, 92, of Battle Creek, passed away Wednesday October 6, 2004 at his residence. He was born June 25, 1912 in Waterloo, Iowa, the son of Emil and Arley (Helm) Cherney. Richard grew up in Waterloo, and worked in the area until he enlisted in the Army in 1942. He served in the Medical Corp during W W II in England and France, rising to the rank of Captain, before his discharge in 1945. In 1941 he married the former Eunice Runft in Reinbeck, Iowa and they were married for over 56 years when she preceded him in death in December of 1997.

Mr. Cherney moved to Battle Creek in 1958 and was the former City Assessor for the City of Battle Creek; Equalization Director for Calhoun County and from 1970 until his retirement in 1994 was the president of Cherney & Associates, Inc., a commercial real estate appraisal firm. During his career, Mr. Cherney became the second Battle Creek Member Appraisal Institute (MAI), the highest appraiser designation attainable. He also compiled the first dictionary of appraisal and commercial real estate terms ever published. Surviving are three children, six grandchildren and four great-grandchildren; son: Charles (Mary) Cherney, grandchildren: Katrina (Bruce) Watkins and Alex (Brandy) Cherney along with their two children, Merideth and Jacob; son: Max Cherney of Cleveland, Ohio and his children, Bill Cherney and Tina (Todd) Soper, along with their two children, Richard and Tori; daughter: Carma (Ernie) Gargaro of Beverly Hills, Michigan and their two children, Kellie (Jeff) Yost and Patricia; many nieces, nephews and one sister-in-law.

He was also preceded in death by his parents and four siblings: Vernell Johnson, Victorine "Queen"? Berwald, Milford Cherney and Max Cherney.

He enjoyed reading and traveling. In his later years, he sponsored many family trips for children and grandchildren to places such as Jamaica, Cancun and Myrtle Beach where he enjoyed such things as swimming with the dolphins? at age 88.

Services will be held 11:00 a.m. Saturday at the Richard A. Henry Funeral Home with Rev. Dr. Jeffrey S. Carlson of the First Presbyterian Church officiating.

A private interment will be held at Fort Custer National Cemetery.

Friends may call at the funeral home after 10:00 a.m. today and the family will be present to receive friends from 5:00 to 7:00 p.m. this evening.

Memorial contributions may be directed to Lifespan, which was very helpful to Richard during the past few years.

The family would also like to thank his two wonderful caregivers, Vicki Wolhuis and June Bielby, who kept him very active and loved in his later years.

Birth: Jun. 12, 1867
Death: 1941

Walter E West (June 12, 1867 in Black Hawk Co., IA - 1941) m. December 22, 1887 in Black Hawk Co., IA to Linnie Elizabeth Shields (2 Mar 1867 IA - 1955) dau of Samuel Shields and Orrilla Thomas (info from Gar Watson)

(info contributed by Gar Watson)
History of Butler County; p 124

"The wealth of Iowa lies in her soil and in its intelligent development and among the enterprising citizens connected with agricultural interests is Walter E. West, whose home is on section 13, West Point township, not far from Allison. The consensus of public opinion numbers him with the progressive, farsighted business men and along various lines his labors have contributed to public progress and prosperity. He was born in Blackhawk county, Iowa, a mile north of Cedar Falls, on the 12th of June 1867, and is a son of Thomas and Deidamia (Davis) West. The father, a native of Ohio [actually Vermont], died in Blackhawk county when his son Water was seventeen years of age and the mother afterward came to live with her son, spending her remaining days in his home. Both were married twice and by his first union the father had eleven children, while the mother had several children by a former marriage. There were but two children of the second union, Walter E. and William W., the latter living near Granite Falls, in Yellow Medicine county, Minnesota.

Walter E West spent the days of his boyhood and youth in the place of his nativity, acquiring a public-school education which served as a foundation for his later success and advancement along both intellectual and material lines. He arrived in this county in 1889, when a young man of twenty-two years, and has here since resided. His entire life has been devoted to farming and the early training of his youth in the work of the fields enabled him to carefully direct his labors when he began farming on his own account. He is today the owner of eighty acres on section 13, West Point township, and the remaining sixty acres lie just across the road in Jackson township, on Section 18. His place is well developed and most of the improvements have been made by Mr. West, who is a progressive farmer and keeps abreast with the most modern methods in tilling the soil and caring for the crops. His farm presents a most attractive appearance, being divided into neat fields of convenient size by well kept fences, while the farm work is accomplished with the aid of the

latest improved machinery. In other connections he is recognized as a man of sound business judgement and his cooperation is considered a valuable factor in the successful management of his other interests. He is now vice president of the Farm Cooperative Elevator Company of Allison and is a stockholder in the Farmers Cooperative Creamery Company of that city.

On the 22nd of December, 1877, Mr. West wedded Miss Linnie E Shields, who was born in Blackhawk county, March 2, 1867, and is a daughter of Samuel Shields. They have three children: Lloyd E., of Clarksville; Grace O., the wife of Roy Neal, of Clarksville; and Hazel, at home. The parents are members of the Congregational church of Allison, contributing generously to its support and taking a helpful interest in its work. Mr. West has ever exercised his right of franchise in support of both the men and measures of the republican party and feels a citizen's interest in questions of vital concern to the county and to the state. He does not seek nor wish for office, feeling that his time is fully occupied by his business affairs, which are of growing importance and are bringing to him gratifying returns.

William W. West, who farms the north half of section 12, Hazel Run township, is a "Hawkeye" by birth, having been born in Black Hawk county, Iowa, July 8,1871. His father, Thomas West, was a native of Ohio, and his mother, Mary (Davis) West, of New York. Both died in Iowa.
 [confuses his mother Diadema Davis with his grandmother Mary Davis]

William West was reared in Black Hawk county, receiving his education in the Cedar Falls schools. When twenty-three years of age he went to Butler county, Iowa, where he worked on a farm until 1900. That year he came to Yellow Medicine county and purchased the north half of section 12, Hazel Run township, from Messrs. Gust. Miller and Henry Lamberton, and he has since then been engaged in the operation of that farm. One of the principal items of interest on the farm is the fine herd of shorthorn cattle.

Mr. West was married in Minnesota Falls in 1909 to Isabelle Collins, who was born in New York state. She is a daughter of Michael and Isabelle (Quayle) Collins, born in Massachusetts and Connecticut, respectively. There are six West children, namely: Ralph, Helen, Lela, Mary, Grace and Alice.

[Ralph William, Helen, and Leila Margaret were children be his second marriage. Mary Louise, Grace Mildred, Isabelle Lillian, Woodrow Wilson, Charlotte Catherine, Anna Lucille, Hazel Margaret, and Harriet Agnes were children by his third wife]

Anson C. Owen filed claim in Winnebago Co. IL in 1837 dated 25 Oct 1839. E 1/2 SW 1/4 24-45n-1e 3rd p.m. 79.84 acres, W 1/2 SE 1/4 (same) E 1/2 SE 1/4 (same) W 1/2 SW 1/4 (same) and Npt NE pt 1/4 25-45-1 of 39.97 acres.

Info from "History of Franklin & Cerro Gordo Counties, Iowa" 1883 pg968 & 969 has bio on Anson C. Owen and his family. He was age 73 at this time and was listed as marshal of Mason City and a pioneer of Cerro Gordo county, being a resident since 1853. Born in Tompkins Co. NY the son of Jonathan & Betsey Ludlum Owen, natives of Orange Co. NJ. They had 5 sons & 4 dau born in Tompkins county, all of whom reached maturity and reared families. Jonathan served in War of 1812 in Colonel Camp's Cavalry. WAs farmer and in 1828 united mercantile operations with agriculture and maintained his double business 18 yrs.

Anson reared on a farm with primitive advantages for education. He went to Detroit in spring of 1833, then a village with one street and a population of 200. Three years later he went to Jackson Co. MI where he obtained employment in a saw-mill. The next year he went to St Joseph on foot, by the old territorial road and on to Chicago by schooner. That great city of nearly 600,000 people was then a collection of a few shanties. In 1837 he took the first stage out of Chicago bound for Rockford. He made a claim of land in Owen twp, Winnebago Co., IL, six miles north of the city of Rockford and improved a farm. In 1839 he hauled the first load of wheat from Winnebago county to Chicago and sold it for 38 cents per bushel, taking his pay in leather. He was married in 1840 to Lorinda Thomas. They had 4 children, Martha, Marilda, Robert and May. In spring of 1853 he moved his family to Cerro Gordo county and entered a claim at Owne's Grove, named in his honor. His family lived 6 months in tents and in spring of 1854 he removed them to the place where he was building a log house. 5 Jul of that year the Sioux Indians drove them from the county and they took refuge at Cedar Falls, where the household remained six weeks while Mr Owen returned and finished his home, where they set up housekeeping about the middle of August. Land came into market abt this time and Mr Owen went on foot to Rockford, IL, obtained what money he needed at 40 per cent and in Sep. went to Des Moines and purchased his land. Nearest neighbor 10 miles away. In 1864 he sold his place and bought a farm one and half miles north of Mason City, in the twp of Lime Creek, which he sold in 1868 and moved to Mason City. He took the first government mail from Cerro Gordo county to Iowa Falls in 1862. He made the route, 50 miles on snow shoes. He is radical republican and was one of the first supervisors of Owen twp. He has held his present incumbency 5 yrs and is a popular official. He has been a surveyor for many years and probably the best posted man in the county on sectional lines. Marcus Owen is only child born to them at Owen's Grove, this county, being the first birth at the grove. Mr Owen was one of the earliest settlers of the county and many a way-faring traveler has just cause to remember with lifelong obligations, the kindly treatment and hospitality of this old pioneer. Mr Owen is 73 yrs of age and despite advanced years, he is hale and hearty still.

pg 594: In summer of 1853 Anson C. Owen located a claim in a fine grove about 6 miles southeast of Masonic Grove, and the grove immediately took the name of Owens's Grove. Subsequently a civil twp was named in honor of him and

	Info from "History of Franklin & Cerro Gordo Counties, Iowa" 1883 pg968 & 969 has bio on Anson C. Owen and his family. He was age 73 at this time and was listed as marshal of Mason City and a pioneer of Cerro Gordo county, being a resident since 1853. Born in Tompkins Co. NY the son of Jonathan & Betsey Ludlum Owen, natives of Orange Co. NJ. They had 5 sons & 4 dau born in Tompkins county, all of whom reached maturity and reared families. Jonathan served in War of 1812 in Colonel Camp's Cavalry. WAs farmer and in 1828 united mercantile operations with agriculture and maintained his double business 18 yrs.
	Anson reared on a farm with primitive advantages for education. He went to Detroit in spring of 1833, then a village with one street and a population of 200. Three years later he went to Jackson Co. MI where he obtained employment in a saw-mill. The next year he went to St Joseph on foot, by the old territorial road and on to Chicago by schooner. That great city of nearly 600,000 people was then a collection of a few shanties. In 1837 he took the first stage out of Chicago bound for Rockford. He made a claim of land in Owen twp, Winnebago Co., IL, six miles north of the city of Rockford and improved a farm. In 1839 he hauled the first load of wheat from Winnebago county to Chicago and sold it for 38 cents per bushel, taking his pay in leather. He was married in 1840 to Lorinda Thomas. They had 4 children, Martha, Marilda, Robert and May. In spring of 1853 he moved his family to Cerro Gordo county and entered a claim at Owne's Grove, named in his honor. His family lived 6 months in tents and in spring of 1854 he removed them to the place where he was building a log house. 5 Jul of that year the Sioux Indians drove them from the county and they took refuge at Cedar Falls, where the household remained six weeks while Mr Owen returned and finished his home, where they set up housekeeping about the middle of August. Land came into market abt this time and Mr Owen went on foot to Rockford, IL, obtained what money he needed at 40 per cent and in Sep. went to Des MOines and purchased his land. Nearest neighbor 10 miles away. In 1864 he sold his place and bought a farm one and half miles north of Mason City, in the twp of Lime Creek, which he sold in 1868 and moved to Mason City. He took the first government mail from Cerro Gordo county to Iowa Falls in 1862. He made the route, 50 miles on snow shoes. He is radical republican and was one of the first supervisors of Owen twp. He has held his present incumbency 5 yrs and is a popular official. He has been a surveyor for many years and probably the best posted man in the county on sectional lines. Marcus Owen is only child born to them at Owen's Grove, this county, being the first birth at the grove. Mr Owen was one of the earliest settlers of the county and many a way-faring traveler has just cause to remember with lifelong obligations, the kindly treatment and hospitality of this old pioneer. Mr Owen is 73 yrs of age and despite advanced years, he is hale and hearty still.
	pg 594: In summer of 1853 Anson C. Owen located a claim in a fine grove about 6 miles southeast of Masonic Grove, and the grove immediately took the name of Owens's Grove. Subsequently a civil twp was named in honor of him and his name from that time to the present has been as familiar as household words to every old settler.
	Several other pages refer to Anson C. Owen.

UNIT 1: THE HISTORY OF THE WORLD

The history of the world is a vast and complex subject, encompassing the lives and actions of countless individuals and the events that have shaped our planet. It is a story of human progress, struggle, and the enduring quest for knowledge and understanding.

THE EARLY HUMAN HISTORY

The earliest human history is shrouded in mystery, with evidence suggesting that our ancestors lived in small, nomadic groups. The discovery of tools and artifacts from this period provides a glimpse into the lives of these early humans.

THE MIDDLE AGES

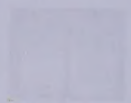

The Middle Ages, often referred to as the Dark Ages, were a period of significant cultural and political change. The rise of feudalism and the power of the Church defined this era, which saw the construction of great cathedrals and the development of medieval literature.

THE RENAISSANCE

The Renaissance was a period of rebirth and revival, marked by a renewed interest in classical art and literature. It was a time of great intellectual achievement, with figures like Leonardo da Vinci and Michelangelo pushing the boundaries of human knowledge.

THE MODERN AGE

The Modern Age, beginning with the Renaissance and continuing through the present, is characterized by rapid technological advancement and global interconnectedness. It is a time of unprecedented progress and challenges.

Birth: Sep. 20, 1899
Butler County
Iowa, USA
Death: Jun. 6, 1918, France

Pvt. 1st Class Leon F. Geyer
CO. F 16th INF. 1st DIV.
Born Sept. 20, 1899
Killed at Cantigny, France
June 6, 1918
A.E.F. (American Expeditionary Force)

"Waterloo Times-Tribune", Waterloo, Black
Hawk County, Iowa
Thursday, October 31, 1918

American Red Cross Camp Service
U. S. Army Hospital
Ft. Des Moines, Oct. 28, 1918

Mrs. Martha Geyer:

Received a letter this evening thru the Red Cross, which I suppose was handed from Lieut. Col. Cooper, in charge here, asking about your son Leon. I can and will give you some information in regard to your son. He was a very close friend of mine while we were in France. The report was true, he was killed on the morning of the 6th of June, I and Leon were in charge of a machine gun at Contingy at the time he was hit. The lieutenant sent me and Leon to the captain's quarters one night but we were not able to get there on account of gas and bombardments, so we returned and told our lieutenant. So the next morning the lieutenant sent Leon with a fellow named Parks. They delivered the message all O.K. and were returning out of the dugout and the town was being bombarded and he and Parks were killed instantly in the door of the dugout. They never knew what hit them was the report I got at the time.

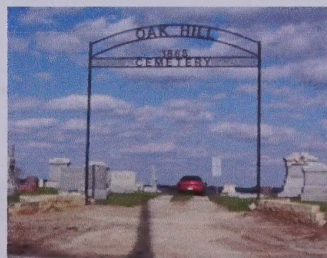

I was over at Contingy that evening and saw the two, Leon & Parks. They were buried there at Contingy that night. Leon was liked by all of the officers and boys as well. He was not the shirking kind and always ready to do his little bit wherever he was and that way he had quite a reputation, and was well like by everyone. I went over the same time your son left the states and was with him every day, so I got to be a friend to him and him to me. He never was in any kind of trouble the whole time I knew him. He was ready to do anything that came along. He was hit in the stomach and nearly cut in two. So you see that he did not suffer any at all. I was wounded in Contingy the 9th, when we were getting relieved, but have recovered considerable up until now. Suppose your papers never have the full details of anything as there is so much

that the government could not give all as fellow could out of one's company that has been hit. If there is anything that I can tell you people in regard to your son, would do it with pleasure, as most mothers are anxious to know of their sons. My address is:

George F. Holifield, General Hosp. Ward 15, Ft. Des Moines, Iowa.

Note: This letter was received by Mr. and Mrs. Frank Geyer and tells the way their son was killed while in action in France, June 6. Leon was one of the first boys from New Hartford to enlist and go to France, and first to make the supreme sacrifice. By writing to the American Red Cross bureau of communication for information Lieut. Col. Cooper found Private Geo. F. Holifield was of the same company as Leon and a bosom friend.

 Hawk County, Iowa
 Thursday, October 31, 1918

American Red Cross Camp Service
 U. S. Army Hospital
 Ft. Des Moines, Oct. 28, 1918

Mrs. Martha Geyer:

Received a letter this evening thru the Red Cross, which I suppose was handed from Lieut. Col. Cooper, in charge here, asking about your son Leon. I can and will give you some information in regard to your son. He was a very close friend of mine while we were in France. The report was true, he was killed on the morning of the 6th of June. I and Leon were in charge of a machine gun at Contingy at the time he was hit. The lieutenant sent me and Leon to the captain's quarters one night but we were not able to get there on account of gas and bombardments, so we returned and told our lieutenant. So the next morning the lieutenant sent Leon with a fellow named Parks. They delivered the message all O.K. and were returning out of the dugout and the town was being bombarded and he and Parks were killed instantly in the door of the dugout. They never knew what hit them as the report I got at the time.

I was over at Contingy that evening and saw the two, Leon & Parks. They were buried there at Contingy that night. Leon was liked by all of the officers and boys as well. He was not the shirking kind and always ready to do his little bit wherever he was and that way he had quite a reputation, and was well like by everyone. I went over the same time your son left the states and was with him every day, so I got to be a friend to him and him to me. He never was in any kind of trouble the whole time I knew him. He was ready to do anything that came along. He was hit in the stomach and nearly cut in two. So you see that he did not suffer any at all. I was wounded in Contingy the 9th, when we were getting relieved, but have recovered considerable up until now. Suppose your papers never have the full details of anything as there is so much

that the government could not give all as fellow could out of one's company that has been hit. If there is anything that I can tell you people in regard to your son, would do it with pleasure, as most mothers are anxious to know of their sons. My address is:

George F. Holifield, General Hosp. Ward 15, Ft. Des Moines, Iowa.

Note: This letter was received by Mr. and Mrs. Frank Geyer and tells the way their son was killed while in action in France, June 6. Leon was one of the first boys from New Hartford to enlist and go to France, and first to make the supreme sacrifice. By writing to the American Red Cross bureau of communication for information Lieut. Col. Cooper found Private Geo. F. Holifield was of the same company as Leon and a bosom friend.

Birth: Oct. 5, 1816
 New Berlin
 Chenango County
 New York, USA
Death: Nov. 19, 1860
 Portland
 Multnomah County
 Oregon, USA

US Senator from Oregon 1859.
 Son of Archibald Smith and Polly Briggs Smith,
 and grandson of [Capt. Jonathan Smith](#) and
[Freelove Boss Smith](#).

Delazon Smith was born in New Berlin, Chenango County, New York of distinguished ancestry but very little money. In 1831 at the age of 15, he set out on foot for the Western frontier, where he stayed for two or three years with an older brother and obtained a rudimentary education. Having heard of a manual labor college in Ohio, where a young man could meet his expenses through daily labor, he traveled in 1834 to Oberlin, a center of the Abolitionist movement. Smith did not subscribe to anti-slavery sentiment, but remained two years as a student of Oberlin College. (Shuck, Oscar. Representative and Leading Men of the Pacific. 1870, Bacon and Company.) Delazon's years at Oberlin were marked by his disagreement with school policy and philosophy, which ultimately earned him an invitation to leave and not return. Moving on to Cleveland in 1836, he entered his name as a student in the office of a prominent attorney, and published an imprint entitled "Oberlin Unmasked". The tract was largely a criticism of the Underground Railroad, which he considered to be unlawful interference with private property. The introduction says his book is an expose of the impositions he suffered at this institution, and that he publishes the work that the public may not be wronged by the same means. The actual title of the work was A History of Oberlin, or New Lights of the West. Embracing the Conduct and Character of the Officers and Students of the Institution. Together with the Colonists, from the Founding of the Institution. By Delazon Smith, a Student (Morgan Bibliography of Ohio Imprints, 1796-1850). It wasn't only the Abolitionist activities of which Smith complained. He described the school's co-ed atmosphere, with some erotic detail, as 'immoral'. He also deplored the lack of religious diversity. While in Ohio, Smith began to contribute to the columns of the local newspapers, frequently becoming involved in controversies over religion and politics, and soon made a name for himself. In 1838, he received an invitation to return to New York to establish a newspaper - the New York Watchman - in Rochester, which he edited for two years while continuing his legal studies. In

1840 and 1844, he was very active in the presidential elections, starting up newspapers and getting into political battles. In return for his party loyalty and energy, President Tyler appointed him Special Commissioner of the United States to the Republic of Ecuador in 1844. His task was to negotiate U.S. debt claims against the Equadorian government. Smith took eighty days to travel by ship from Norfolk, Virginia to Lima. Along his journey, he was shocked by the backwardness of the area. He got a good look at a nation in the midst of civil war, and learned first hand how difficult it was to determine which of the warring factions represented the legitimate government. At length, he determined not to attempt to collect the debt at that time, and not to wait indefinitely "for the formation of a government which I can properly address." Accordingly he left, and took the arduous land journey back to what he considered civilization. During this escapade, while traveling through what was largely a wilderness, the State Department lost contact with him for eleven months, and subsequently he was nicknamed "Tyler's Lost Commission". Upon his return to the United States, he determined to move father west, relocating to Iowa Territory in 1846. (Iowa State Census Collection 1847) Here he engaged in agriculture and, to a limited extent, the law. His wife Eliza died, and he turned to God. He converted to Methodism and began studying for the ministry under Henry Clay Dean, a well-known preacher, lawyer and anti-war activist. For a while, Delazon was a licensed minister, but his occupation with law and politics lead to the resignation of his license. Around 1848, Delazon was presented by his party as a possible candidate for Congress and Governor. But his real service to the country appears to have been his support of his party during the presidential campaign. In 1852, having suffered from several deaths of loved ones, poor health and other misfortunes, he resolved to move further west, setting out with his family in an ox wagon for the Territory of Oregon. The journey took five months, from the Missouri River to the Columbia, during which time illness, deprivation and loss of property were his lot. But once in the new Territory, he selected a land-claim in Linn County, under the act of Congress of 1850, in which lands were granted to all citizens who would reside upon and cultivate them for four years. "Having thus provided a home, he applied himself vigorously and unremittingly to the practice of law, devoting the proceeds to the cultivation and improvement of his farm, and the comfort and elegancies of life." In 1854, nearly twenty years into his political career, he was elected to public office in the territorial legislature. Re-elected in 1855, he became Speaker of the House and was known as the Lion of Linn for his oratory skills. He was again elected to the legislature in 1856. In 1857, he became a delegate to the constitutional convention which would frame the state government in preparation for statehood, and founded Albany's first newspaper, The Oregon Democrat (now the Albany Democrat-Herald). That year, the territorial legislature sent him to Washington in anticipation of Oregon admission to the Union. The admission did not come that year, and

Smith returned to Oregon. However, he once again journeyed to Washington in 1858, this time via California, the Panama Canal and New York City, becoming seriously ill on the way. Upon Oregon's admission to statehood, he was elected to the U.S. Senate; because of the delay in admitting Oregon to statehood, and because he and his fellow state senator agreed to decide, by a drawing of straws, which of them would take the short term, he served one of the shortest on record - less than a month - in 1859. Although he ran for re-election in what he thought would be an easy campaign, he was defeated in a bitterly contested race. Following his defeat, he was full of energy and good health and anticipating many years of domestic contentment and active involvement in political affairs. But within a week after the result was known of the Presidential election (Lincoln, the victor, was a Republican and opposed to slavery), he was taken suddenly ill, and died a few days later in Portland, Multnomah County, Oregon. It was November 19, 1860, and he was forty-four years old. He was buried in the Masonic Cemetery of Albany, Linn County. Some thought he had been poisoned. The following correspondence dated December 11, 1860 at Portland from Delazon's physician to his oldest son Volney, then 18, provides insight to concerns surrounding Smith's death:Yet I cannot say that his disease was anything else than simple inflammation of the stomach, and without a chemical analysis of the internal viscera, as the stomach and liver, it could never be ascertained clearly whether he had been foully dealt with or not. An examination, I think, should have been made at the time so as to have satisfied those who may have had any suspicions upon the subject. It would not be right in me to give an opinion upon this subject as the evidences in the case were not of that character as to be at all conclusive, indeed only to cause a suspicion. Simple inflammation might produce all the symptoms in this case, but it would be a very uncommon case indeed. I should be, at any time happy to give Mrs. Smith any information upon this subject in my power. Please present my best regards to your mother and accept the same yourself. I remain, Yours truly, I.C.

Hawthorne. (Oregon Historical Society.

Delazon Smith Family Papers, 1848-2004.)

About 1985, more than a century after the fact, an analysis of the available information surrounding Delazon's death was performed, and the following opinion written, by Arne S. Jensen, MD of Waldport, Oregon: "Analysis of a sudden death occurring 126 years ago, and with sketchy facts allows a wide latitude, limited only by imagination..... These (diagnoses) come to mind: (1) perforated peptic ulcer with resultant peritonitis (2) mesenteric thrombosis with resultant peritonitis (3) acute pancreatitis with resultant peritonitis (4) thrombosis of the portal vein (5) ruptured gallbladder with resultant peritonitis (6) poisoning, mercury....One could develop many others, but these appear to be the more likely cause of death. All of the first five could be related to alcohol, the 6th to enemies or error due to drunkenness." (Oregon Historical Society, Delazon Smith family papers, 1848-2004). In a notice of Smith's death, the 14 Dec 1860

edition of the Racine Wisconsin Daily Journal ran the following piece: "advices from Oregon bring the news of the death of Mr. Smith, who was a resident of Northern Ohio, afterwards, in the reign of 'Tyler too', was a foreign minister and subsequently, under Democratic (rule) because, for a few short months, a U.S. Senator from Oregon; lately, however, superceded by an abler and better man, Senator Baker. Delazon Smith, long before he came into public political life, received the appropriate sobriquet of Blow-azon Smith. Mr. Smith, under Tyler, got an appointment as minister to somewhere in Central America, we think, and when Mr. Polk came into office, Smith so utterly defied all efforts to find him, that an official (illegible) could not be served on him until near the close of that administration. From thus successfully eluding pursuit, Minister Smith received the second sobriquet of Delusion Smith. Mr. Smith finally took up his residence in Oregon, and through one of those singular freaks of politics that often occur, was foisted into the U.S. Senate, where he served a few short months, and for once, really served his country by getting the Democracy by the ears, and thus securing to Oregon a Legislature that elected, in Smith's place, the able and worthy Mr. Baker, who has just taken his seat. The author of Delazon's biographical sketch wrote a review that was not influenced by politics: "The most prominent characteristics of Mr. Smith were energy, perseverance, warmth of feeling and attachment. Whatever he resolved upon doing, he did with remarkable energy and singleness of purpose: no impediment deterred, no adversity appalled him; he never flagged or faltered, nor would he readily bow or bend to the storm; if he did, he rose again, and not less determined than ever. No man was more devoted to country, home and friends. Unreserved, frank and candid, no one would go further, or sacrifice or suffer more, to serve his friends. As a debater, he reasoned deductively and analogically; was always ready, forcible and elegant; and none who heard him were permitted to doubt either his patriotism or his sincerity." (Shuck, Oscar. Representative and Leading Men of the Pacific. 1870, Bacon and Company.) During WWII, a Liberty ship built by the Oregon Shipbuilding and Kaiser for the U.S. Maritime Commission was named for him.

CROSSES IN FRONT ENGINE
 E.L. Thomas, of Wyeth, Struck by Train and
 Dies of Injury

Hood River, Or., June 8
 E.L. Thomas, aged 64, died at the Cottage
 Hospital here late last night from the effects
 of injuries received by being struck by an
 O.R. & N. train. Mr. Thomas whose home was
 at Wyeth, where he was a proprietor of a
 hotel, started to cross the track as the
 Portland-Pendleton train was passing that
 point Sunday evening and was struck by the
 engine. The train was stopped and the injured
 man brought to Hood River for treatment, but
 failed to recover. He is survived by his wife
 and five children.

KILLED BY TRAIN

E. L. Thomas, a hotel keeper of Wyeth, was
 hit by passenger train No. 8 Sunday morning
 while attempting to cross the track ahead of
 the train just as it was getting under way.
 The engineer whistled and just as the
 unfortunate man stepped across the rail he
 was struck and knocked unconscious. He was
 taken to Hood River where he was attended
 to by Dr. Watt, the company's physician but
 all help was in vain. He was 64 years of age
 and leaves a wife, two sons and three
 daughters. He had lived at Wyeth for about
 two years and was highly respected. The
 funeral services will be held this forenoon at
 10 o'clock from Bartmess' undertaking parlors.
 Interment will be made in Idlewild. The
 stricken family has the sympathy of all in this
 community.

which he died at the Cottage Hospital in this city the same day.

The man was walking along the track, and shortly before the train reached him, deliberately started across the track. The engineer frantically blew the warning whistle, to which the man apparently paid no attention, appearing bewildered, and was struck with such force as to hurl him twenty feet from the track. The train was brought to a standstill and backed up, when the bruised and unconscious man was taken aboard and brought to Hood River. He was taken to a hospital, but never regained consciousness, and died shortly after.

He was 64 years old and leaves a wife, two sons and three daughters to mourn his loss. S.E. Bartmess had charge of the funeral arrangements, and the services were held in his chapel yesterday forenoon, Rev. A.H. Lathrop officiating, and the remains buried in Idlewilde.

The following, besides the family, attended the funeral from Wyeth; Mr. and Mrs. N. Stokoe, Mr. and Mrs. James Gordon, and Mr. and Mrs. Johnson.

Ridiculously
Easy Trick

The Government is forcing drivers to purchase auto insurance. Drivers who use this trick are able to get their insurance for as low as \$9/week. Insurance companies hate the trick because if it got out, it would cost them millions. Don't get ripped off by your auto insurance company, learn the trick.

Hi Gladys,

Henry No new findings to amount to much. Did find graves of Elisha, wife, and dtr., Nettie and husband Ross Baker. They are in rootsweb, also. Quite a bit on them. Anyway, poor Elisha got struck by a train and was killed and his son-in-law, Ross, shot himself. So, they had sad times. Found death cert. on F-A-G for Marie Belle, wife of Elisha, and had one heck of a time making out who the contact was for information. Finally was able to see that it was R. C. Thomas, her son, Roscoe C. Thomas. Anyway, if you get in there (all in Oregon) you will find the info. So, looks to me that this Roscoe had contact with his family and most likely did not live with our George W. Thomas. Which means, I guess, we still have a Roscoe running around that we haven't found yet. Guess we need to look further.

Haven't done much but dig around. Getting warm and might have to put the A/C on as not very comfortable right now. Maybe tomorrow I will get out of the house for a bit. Wish Clinton was a bit closer and we could meet down there and have lunch and shop a bit. It is about 40 miles from Bellevue - probably about that from where you live, too.

Going to look some more for a likely Roscoe for George and Rosetta and then sort out all this information into some kind of order.

Later.

Faye

Friday 12 May 1893 Cedar Falls, Gazette

Another Pioneer Gone: Died at his home, in Washington Township, Black Hawk County, Iowa, on the 22nd day of April, 1893, Valorious THOMAS, age 80 years, 7 months and 22 days.

The deceased was born in Stuben County, New York, August 1, 1812 and his resided with his parents until 1829 when he and his father built a large flat-boat and floated down the Alleghany river and into the Ohio, finally bringing up at Cairo, Illinois. His parents settled in Winnebago County. Soon after this young Thomas enlisted in the regular service and was transferred to Ft. Smith in the Indian Territory in Arkansas to guard a party in making surveys and settling some Indian difficulties, remaining in this wild country about three years. At the expiration of his service he returned to the State of Illinois. Finally in 1837, he settled in Stephenson County and resided there until he came west to Black Hawk County coming with teams which was the only method of moving in those days. He married 8 December 1838 to Almada Helm. His marriage was an unhappy one. Mrs. Thomas kept such a dissension in the family until she broke up his home and got a division of the property, then left him to be cared for by his youngest daughter.

2. Melancthon² Thomas (478) (Adna¹) was born on 17 Aug 1808 at Ontario, Ontario Co., NY, birth transcribed from Adna Thomas Bible by two different people. He married Jane Lumby (483) on 15 Nov 1832 at Pike Co., IL. He died circa 1859 at CA California is where he was last heard from.

He appeared on the census of 1830 at St. Clair Co., IL, the census lists a male child of Melancthon's age. He appeared on the census of 1840 at Pike Co, IL, Family - Males: one 5-10, one 30-40.

Females: one 20-30. Turner Thomas (484) in an affidavit in Oct 1870 at Butler Co., IA, stated that Melancthon Thomas (478) moved to "foran" parts in the year 1850 and up to about the year 1859 he had letters from friends and acquaintances concerning his where abouts and welfare. About that time all correspondence ceased and no news could be obtained except a report that he removed from the immediate neighborhood where he had been living and that he was dead. Since that time no information has been received from him and I have made diligent and repeated efforts to learn what became of him. That from all information I can obtain I believe that my father died about the year 1859 or 1860 and I am informed by all the relatives and friends that the belief is universal that my father is dead.

Children of Melancthon² Thomas (478) and Jane Lumby (483) were as follows:

- 13i. Turner² Thomas (484) was born in 1833 at Pearl, Pike Co., IL. He married Mary Susan Miller (485) on 31 Dec 1854 at Pike Co., IL.
- 14 ii. (-?-) Thomas (2309) was born before 1850. He died before 1850.
- 15 iii. (-?-) Thomas (2310) was born before 1850. She died before 1850.

✓ 4. Velorious² Thomas (477) (Adna¹) was born on 1 Aug 1812 at Steuben, NY. He was born on 12 Aug 1812 at Reding, Steuben, New York. He married Almada Helm (479), daughter of Varnum Helm (913) and Anna Adams (914), on 8 Dec 1838 at Winnebago Co., IL. He married Almada Helm (479), daughter of Varnum Helm (913) and Anna Adams (914), on 18 Dec 1838. Almada Helm (479) filed for divorce from Velorious Thomas (477) on 28 Jan 1874 at Circuit Court, Black Hawk Co., IA. He died on 22 Apr 1893 at Washington Twp., Black Hawk Co., IA, at age 80 probate record gives death 23rd, obituary (below) states 22nd.

At the first county election but thirty-five votes were cast, and Mr. Thomas held many offices of local importance. He was strictly honest in dealing with his fellowmen, and was finally laid to rest in Young's grove cemetery by a large concourse of sympathetic friends.
Sam Shields.

He was buried after 23 Apr 1893 at Washington Chapel Cemetery, Washington Twp., Black Hawk Co., IA, his obituary states he was buried in Young's Grove Cemetery. In an article on Washington Chapel Cemetery it states that the land for the cemetery was initially given by a man called Young, and the first burial was that of the Young daughter in 1863. It would seem likely that the Washington Chapel cemetery and the Young's Grove cemetery are one and the same.

He moved In 1829 he helped his father build a large flat-boat which the family used to float down the Alleghany river and into the Ohio, finally bringing up in Cairo, Illinois. MRS. OLIVE BAKER

The death of Mrs. Olive Thomas Baker, pioneer resident in this county occurred at her home in Janesville Sunday. She had been in poor health for the past two years.

Olive Thomas was born in Freeport, Stevenson county, Ill., Dec. 13, 1840. She came with her parents to Iowa in 1851, making the trip overland with a wagon and oxen team. At that time there were few settlers in this locality, Mr. Barrick and Mr. Tony being the only residents of Janesville, Cedar Falls was a village of a half dozen small homes and Waterloo consisted of four log houses, a barber shop, hotel and grocery store, the three later all under the same roof.

Velorior Thomas, her father, purchased 200 acres of land in Washington township, Black Hawk county, at two schillings per acre. This farm is still owned by the family.

At the time the Thomas family settled in Black Hawk county it was necessary, to go to Cedar Falls for groceries and being no road at the time, there was only a trail to follow. There was plenty of wild game such as pigeons and turkeys and also quantities of fish in the nearby streams.

Four years after the family located here the first school was established near Washington chapel.

Jan. 14, 1857, occurred the marriage of Miss Thomas and James Baker and for 36 years they resided at their home on the prairie built at the time of the marriage. They then moved to the old homestead where they lived until November, 1907, when they moved into Janesville. Mr. Baker's death occurred March 26, 1915, since which time she had resided with her daughter, Mrs. Martha Mann.

MRS. OLIVE BAKER

The death of Mrs. Olive Thomas Baker, pioneer resident in this county occurred at her home in Janesville Sunday. She had been in poor health for the past two years.

Olive Thomas was born in Freeport, Stevenson county, Ill., Dec. 13, 1840. She came with her parents to Iowa in 1851, making the trip overland with a wagon and oxen team. At that time there were few settlers in this locality, Mr. Barrick and Mr. Tony being the only residents of Janesville, Cedar Falls was a village of a half dozen small homes and Waterloo consisted of four log houses, a barber shop, hotel and grocery store, the three later all under the same roof.

Velorious Thomas, her father, purchased 200 acres of land in Washington township, Black Hawk county, at two schillings per acre. This farm is still owned by the family.

At the time the Thomas family settled in Black Hawk county it was necessary, to go to Cedar Falls for groceries and being no road at the time, there was only a trail to follow. There was plenty of wild game such as pigeons and turkeys and also quantities of fish in the nearby streams.

Four years after the family located here the first school was established near Washington chapel.

Jan. 14, 1857, occurred the marriage of Miss Thomas and James Baker and for 36 years they resided at their home on the prairie built at the time of the marriage. They then moved to the old homestead where they lived until November, 1907, when they moved into Janesville. Mr. Baker's death occurred March 26, 1915, since which time she had resided with her daughter, Mrs. Martha Mann.

Surviving her are three daughters and two sisters. The decedent was a member of the United Brethren church.

Hofflund, North Dakota

9 Apr.

Dear Grandchildren,

I will try and answer your ever welcome letter. I am not very well, I have the rheumatism in my knee. It pains me and I am short of breath. I guess it is weakness and old age.

Dad and Emerson is a plowing on Andrew Simons place. Dad hasn't sold off his wheat yet. We sold just enough to pay the taxes on the pasture and meadow and our share of the hail insurance and get us something to eat. The wheat price is down again. We have most all of oats yet, only what Dad fed out. We sold Hagfert Haverton about 30 bushel of oats. We had a cold winter, it took lots of coal to keep us warm. Dad said that he might send you some money if wheat prices come up after awhile. We buy our butter now our cows haven't come in yet. We will have 5 or 6 come in this summer, but we want to milk only two. We let the calves run with the rest. I can't take care of the rest of the milk. We have that gray horse, no body came after it. Dad is plowing with it.

Tell Ethel I got her letter and was glad to get it. Tell Mabel that I got her letter and was glad to hear from all of you folks. I got a letter from Emma, they are all well, and a letter from Etta and they had bad colds. The wind is a blowing as usual, I get awful lonsome up here shut up in the house. Viola and Violet go to school. Both ride one horse, that big gray one that Wesley worked. They have a saddle.

Well Harry Jones left here the 28 of February, he just walked away and left everything. He never told anyone that he was agoing. He went with his everyday clothes on. He owed over 2 thousand dollars over the river at Charleston and other debts. He tried to sell the team that he threshed with for a hundred dollars, had the bargain all made and the storekeeper that he owed took the money. That made him mad and he left the next morning. A man saw him down at White Earth the day he left here. Harry told the man he was a hunting horses north of White Earth. Never heard from since I think that he was afraid they would send him to the penitentiary. That's where he aought to be.

Garlen got the other horse that Wesley drove.

That is enough of it for this time. Ida, can't you write a little to me? How glad I am to hear from all of you. It cheers me up. Dad and I washed clothes before he went up to plowing, we don't wash very often. Potatoes are 1 dollar a bushel. We have all the potatoes that we want. This letter is for all of you folks, I can't write very often. Dad isn't here to help me much. He is in the fields.

Mrs. Granley is well and family. Do you hear from Rachel. Write all the news from down there. I don't take the Nevis Newspaper anymore. I miss it. Write soon.

Love To All,

from Granmaw and Granpaw to their grandchildren and all the rest of the folks

Earlier, Rodney Hill (atty E.P. Hudson) in an equity action (No. 2402), had asked for foreclosure of June 8, 1894 mortgage, held by Adna L. and "Mary" A. Thomas, on the property. The judgement went against Adna but was satisfied by payment of interest and costs (County clerk notation of 10 Jan, 1896). Does this mean Adna took out a mortgage with Hudson on Dec. 5th & used the money to pay Hill?.. In 1900, Adna L. Thomas (46) homesteaded at SE 2-39-24-W4th, Haynes, AB. He was elected to the office of school trustee on 6 Sep 1901 at J. B. Cundiff's home, Haynes, AB.

- 55 i. Rosella Ann⁴ Thomas (129) was born on 20 Sep 1869 at Butler Co., IA, 1870 census gives year and month, day from Robert Belt & Nettie Thomas via Ruthe Ankey.. She died on 22 Apr 1876 at Nelson, Cloud Co., KS, at age 6 A SAD AND FATAL ACCIDENT.

A Young Girl Burned to Death.

News was brought to town last Friday of one of the saddest accidents that it ever becomes the duty of the journalist to place on record. It occurred on the day previous at about 10 o'clock A. M., and was nothing less than the burning to death of Rosa Thomas, and eight-year old daughter of Mr. A. L. Thomas, whose residence is in Nelson township about eight miles southeast of this place.

The circumstances, as detailed to us by Mr. E. L. Mead, who was present and witnessed the terrible scene, are simply these:

Mr. Thomas had determined to burn a lot of corn stalks which he had on his place, and had invited Mr. Mead to his assistance. The fire had been started, and the men were busily engaged in feeding the flames. Mr. Thomas' daughter and two of Mr. Mead's children were present, and

playing about the fire. Suddenly Rosa Thomas started away uttering piercing screams, and it was discovered that her clothing was ablaze. Her father and Mr. Mead ran with all speed to her assistance, and using the only means available for extinguishing flames, finally succeeded by throwing her down and casting dirt upon the blaze, in putting out the fire; but not until the poor child was so terribly burned as to render her recovery an evident impossibility.

Dr. Gilmer, was at once sent for, and repaired to the bedside of the dying child, but the best he could do was to leave such remedies as would have the effect of deadening the pain. The Doctor found, however, that the child's nervous system had been destroyed, as she experienced but little pain.

The victim of this saddest of accidents lingered until about 11 P. M., when the spirit passed from earthly to celestial scenes. The agonizing pains, which had she been a little less burned might have racked the young body, were mercifully spared, and we understand her death was almost painless.

Every reader will contemplate the sad disaster we have related with distress, and deepest sympathy for the parents who were thus so suddenly deprived of their household joy.

The funeral of little Rosa was held on Saturday, and attended by a large company of neighboring friends of the bereaved family. Her body was deposited in the neighborhood burial ground.

P. S. -- We understand that only two weeks previous to her death, this fated child, in her play, had her clothing take fire, at a neighbor's twice during the (copy ended here).

She was buried on 24 Apr 1876 at Green Mound Cemetery, Nelson Twp., Cloud Co., KS. Gravestones were removed about 1970. The records from this cemetery indicate that a lot # 67, owned by A. L. Thomas, was occupied. It is assumed that Rosella was buried here as well as perhaps her grandmother Arabella Jane Lowe Thomas.

She appeared on the census of 1 Jul 1870 in the household of Adna L. Thomas (46) at Shirley twp, Cloud Co., KS. She appeared on the census of 1 Mar 1875 in the household of Adna L. Thomas (46) at Nelson Center, Cloud Co., KS.
